- Final payment for camp is due no later than April 15, 2025 to ensure that camp is paid for before school ends. Deposits made and not canceled by the deadline will be forfeited.

### PERMISSIONS

The following information is specific to expected behavior during the summer camp.

- Students are expected to be on their best behavior during camp giving 100% of the week while we are in camp to the active participation in the experience.
- Students maybe dismissed from camp for not following the rules and/or being told multiple times of things they are doing that are unacceptable behavior.  
\*Parents will be contacted. \*No refunds will be given to dismissed students.
- Students are expected to stay in the designated areas of the school that we are utilizing for camp.
- Any vandalism of any kind is grounds for immediate dismissal from camp which is nonrefundable. In addition, the administration of the host school will be informed of any situations and with that comes the potential of further discipline.
- Students are **HIGHLY** encouraged to bring a sacked lunch daily. With only one designated hour for lunch staying in the building for lunch is the safest option we, Always Writing 4 U staff, can support. There will be access to a microwave as well as a designated place for students to eat.
- If your child does not return from lunch the parent will be notified.
- If students are not attending, not returning from lunch or arriving to camp late an e-mail from a parent or coach is required. We are responsible for students during the camp. When a child does not attend or return our assumption is that they are supposed to be with us and if they are not a parent/ guardian needs to be notified. Communicating late arrivals or absences saves us time on contacting that doesn't need to happen.
- Students who miss days due to other obligations are expected to pay the full amount for the camp experience. We do not probate for missed days.
- Students are expected to clean up after themselves every day in all of the spaces utilized.
- Always Writing 4 U is **NOT** responsible for students who leave campus for lunch during camp. Nor will the business supervise or take responsibility for anything that happens outside of the camp location and boundaries. Again, Always Writing 4 U DOES NOT give permission for students to leave the campus and are not liable for their decision to leave. Parents, please discuss them taking lunch daily. (Which are specific to inside the host school.)
- Please make sure your student knows, understands, and respects the rules of driving other teens in their cars should you allow them to leave campus for lunch. \*We cannot express enough how important this.
- If, with parent permission, students leave campus for lunch they are expected to return on time and ready to work in the afternoon.

## ALWAYS WRITING 4 U LLC: SUMMER CAMP PAPERWORK

- Online students are allowed to take disconnect breaks as needed. Please inform the clinician of the break before signing off.
- Online students are expected to be present, on time during the duration of camp.
- Online students will have work sessions with a variety of coaches in the afternoon, also all online.
- Online students' images may also be used for promotional materials or social media presence.
- Online students are expected to communicate with camp advisors if they will be late or absent for camp.

I, \_\_\_\_\_ understand all of the above information that states I am responsible for ensuring that my child follows the expectations of the camp. If my child drives or gets into a car of another camp attendee that choice is not the decision of the camp nor, are they responsible for my child once they leave the designated school building.
